

View Online at <https://aerobasegroup.com/nsn/5930-01-558-8285>

Special Features:

Operates in response to control voltage and remote/manual switch, contact config: all poles correct contact config, contact resistance: 37 milliohms @ 1 amp max., total circuit resistance: 91 milliohms @ 1 amp max., dielectric voltage: withstand 1200 vrms 5-sec

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
