End Application:

Naval air

Pressure Switch Type:

Differential

Product Name:

Switch, pressure, adjustable

Special Features:

Sensor code 5 (50 psi) , electrical interface, 3 wire pigtail, size 20awg, black-common, white-no, red-nc, length 24 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
