End Application:

Lhd 5 control panel

Mounting Method:

Base single mounting facility and terminal single mounting facility

Contact Voltage Rating In Volts:

600.0 ac at sea level

Switch Actuator Indexing Position Quantity:

2 single actuator

Contact Load Current Rating:

30.0 amperes resistive load ac at sea level

Product Name:

Selector switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
