End Application:

Sumarine class

Mounting Method:

Threaded bushing single mounting facility and terminal single mounting facility

Switch Actuator Indexing Position Quantity:

4 single actuator

Product Name:

Switch s1

Special Features:

Nha: 639280 (31442) , tc junction box assembly, nsn 5975-01-540-0730. On tc junction box, this switch is named light switch s1, with four positions: off, low, med, and high.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
