End Application:

Local operating panel

Mounting Method:

Base single mounting facility

Contact Voltage Rating In Volts:

600.0 ac at sea level

Product Name:

(inavy)selector lever

Special Features:

22mm selector switch; 600vac; 1.2a; used on local operating panel 1q 349064

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
