Product Name:

Led push switch

Special Features:

Unsealed solderless quik-connect common termination system (cts); switch poles dpdt-sb; silver contacts; alternate actuation; 28vdc common anode; nvis dual pushbutton style

Precious Material And Location:

Contacts silver

Special Test Features:

Fully qualified to mil-prf-22885/108; iso 9001 registered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0

Mil-std (military Standard):

Mil-prf-22885 spec.
