Overall Length:

5.250 inches

Overall Height:

2.875 inches

Overall Width:

2.500 inches

Dc Voltage Rating:

32.0 pounds per hour wet

End Application:

An/wld- (v) remote mine hunting system

Electrical Connection Type:

Cable

Mounting Method:

Base

Mounting Position:

Horizontal

Product Name:

Float switch

Special Features:

Used on a 39 foot patrol boat; for use with pumps drawing up to 20 amps; built in test feature; 14 gauge blocked wire ensures no water entry.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
