Body Style:

Hole mount

Maximum Voltage Rating In Volts:

250.0 ac

Mounting Method:

Terminal

Product Name:

Dc series sealed sug-miniature snap-action switches

Special Features:

Temp rating -40deg to +85degc/+120deg c; -40 degrees to +85 degrees c/+105 degrees c (with wire leads); flammability rating: ul94v-0 (pet/pbt material), ul94h (pow materil) ; auxiliary actuator, stainless steel or plastic; terminals: silver-plated copper; contacts: silver alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
