**Thread Direction:**

Right-hand single threaded stud

**Pressure Switch Type:**

Differential

**Proof Pressure:**

30.000 pounds per square inch

**Product Name:**

836 pressure controls, general industry

**Special Features:**

Copper alloy bellows with 1/4" npt female pipe connection; having adjustable operating range in hg vacuum and adjustable differential range in psi

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A048b0
