End Application:

Dryer, tblt electric

Temperature Sensing Element Type:

Disc

Mounting Method:

Bracket

Terminal Type:

Quick disconnect, male

Product Name:

Limit thermostat

Special Features:

Used on dryers with serial no. Staring with 0602004144. Green in color.

Media For Which Designed:

Gas

Style Designator:

Disc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A048b0
