Overall Length:

1.140 inches

Overall Height:

0.630 inches

Overall Width:

0.400 inches

Product Name:

V7 series miniature basic switch

Special Features:

Temp range to 177 degrees c (350 degrees f); operating temp: -40 degrees c to 82 degrees c (-40 degrees f to 180 degrees f); actuatorroller lever; single pole double throwcircuitry, 11a at 277 vac, silver contacts, quik connect termination

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
