**Body Length:**

1.000 inches

**Body Width:**

0.420 inches

**Body Height:**

0.250 inches

**Product Name:**

Cap, switch, dispense

**Special Features:**

Finish is grey iaw fed-std-595, color 36231; threaded thruhole located on height wall along length sides being 0.112-40unc-3b, and a 0.173 inch diameter hole of 0.200 inches in depth located centrally on top surface

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T23700
