Body Length:

1.000 inches

Body Width:

0.420 inches

Body Height:

0.250 inches

Product Name:

Cap, switch, dispense

Special Features:

Finish is grey iaw fed-std-595, color 36231; threaded thruhole located on height wall along length sides being 0.112-40unc-3b, and a 0.173 inch diameter hole of 0.200 inches in depth located centrally on top surface

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T23700
