Overall Length:

14.510 inches

Overall Height:

1.730 inches

Overall Width:

17.360 inches

Basic Shape Style:

Rectangular or square

Installation Design:

Module

Circuit Construction Type:

Solid state

Special Features:

Enterasys secure stack c2 w/24 10/100/1000 rj45/4 port mini gbi; 4 sfp expansion slots, 24 port; ieee compliant; op temp 0 to 50 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A32200
