Body Style:

Hole mount

Body Length:

53.8 millimeters

Body Width:

41.0 millimeters

Body Height:

53.6 millimeters

Illuminated Actuator Color:

Amber single actuator

Maximum Voltage Rating In Volts:

120.0 ac

End Application:

Master control station elev no 2. 184842.. Master control station no 1. 184841.

Inclosure Type:

Fully enclosed

Mounting Method:

Panel

Special Features:

30.5 mm type 4/4x/13 mom. Contact pb-ill., amber, ext. Hd w/o guard, incand./ no options, 120v, 1no-1 nc.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
