End Application:

04s004b (31px6) , single generator.

Contact Voltage Rating In Volts:

600.0 ac at sea level

Switch Actuator Indexing Position Quantity:

3 single actuator

Terminal Type:

Screw

Contact Load Current Rating:

200.0 amperes resistive load ac at sea level

Product Name:

Manual transfer switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
