Overall Height:
3.875 inches
Body Height:
1.400 centimeters
Overall Diameter:
1.000 inches
End Application:
Reservoir assembly, hps 060874-204
Special Features:
0.375 inch npt thread; normally open; actuates when temperature rises to 160 degrees f; full din connector
Style Designator:
Cylindrical
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A048b0
