End Application:

Ethrnt trans switch visual landing aids- braso code vla

Criticality Code Justification:

Agav

Product Name:

Module, ethnt switch

Special Features:

Network connections: twisted-pair interface; connector-shielded rj-45, 8-pin jack; impedance- 100 ohm; signal level output (differential)- 0.95 to 1.05v (100mbps), -2.2 to 2.8 (10 mbps)

Supplementary Features:

Fast ethernet- 100 mbps half duplex, 200 mbps full duplex; ethernet- 10 mbps half duplex, 20 mbps full duplex; power source- 5v, 1a (5w)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A32200
