Overall Length:

7.870 inches

Overall Height:

3.430 inches

Overall Width:

4.370 inches

Unthreaded Mounting Hole Diameter:

0.330 inches

Inclosure Type:

Fully enclosed

Mounting Method:

Unthreaded hole and flange

Product Name:

Cage: trapped key interlock switch, exchange unit

Special Features:

5 way, 2 key in, 3 keys out; 2 primary codes (keys not included), 3 secondary codes (keys included); operating temp: m40.0/p80.0 degrees c; mechanical life: 100, 000 operations; 316l stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
