Lock Switch - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5930-01-581-1209

Overall Length:
7.870 inches
Overall Height:
3.430 inches
Overall Width:
4.370 inches
Unthreaded Mounting Hole Diameter:
0.330 inches
Inclosure Type:
Fully enclosed
Mounting Method:
Unthreaded hole and flange
Product Name:
Cage: trapped key interlock switch, exchange unit
Special Features:
5 way, 2 key in, 3 keys out; 2 primary codes (keys not included), 3 secondary codes (keys included); operating temp: m40.0/p80.0
degrees c; mechanical life: 100, 000 operations; 316l stainless steel
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A053a0
