Overall Height:

1.630 inches

Body Outside Diameter:

2.000 inches

End Application:

6150-01-579-7433

Mounting Method:

Tension

Opening Inside Diameter:

1.400 inches

Product Name:

Boot, connector, straight, heat shrinkable

Special Features:

Refer to document for actual outside configuration

Style Designator:

Thru-hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02000
