Hazardous Locations/environmental Protection:

Dusttight and oiltight and watertight

Contact Voltage Rating In Volts:

600.0 ac at sea level

Contact Load Current Rating:

10.0 amperes resistive load ac at sea level

Product Name:

Selector switch, non illuminated, maintained, standard knob, black, 3.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
