Operating Temperature Range:

-30.0/+85.0 degrees celsius

Detent Rotational Torque Range:

+0.250/+0.438 inch-ounces single actuator

Product Name:

M series half-inch rotary switches

Special Features:

Actuator and bushing .650" long, flatted; solder lug; contact mat: silver; no seal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
