Product Name:

Switch-rotary, 30 degrees, pull to turn

Special Features:

Current carrying: 10 amps @ 28 vdc continuous; dielectric strength: 1000 vrms; contact resistance: .005 ohms max.; rotational torque: 4.0 in-lb max.; operatin temperature range: -65 to +125 degrees celcius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
