**Product Name:**

Switch-rotary, 30 degrees, pull to turn

**Special Features:**

Current carrying: 10 amps @ 28 vdc continuous; dielectric strength: 1000 vrms; contact resistance: .005 ohms max.; rotational torque: 4.0 in-lb max.; operatin temperature range: -65 to +125 degrees celcius

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A052b0
