**Body Style:**

With side operator

**End Application:**

Pp-3106

**Product Name:**

Switch box assembly, 60kw

**Special Features:**

Carc paint finish coat

**Specification Data:**

05047-asme y14 professional/industrial association standard and 96906-mil-std 130 government standard and 81349-mil-c-53072 government specification and 81348-fed std-595 government standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A053a0
