Body Style:

With side operator

End Application:

Pp-3106

Product Name:

Switch box assembly, 60kw

Special Features:

Carc paint finish coat

Specification Data:

05047-asme y14 professional/industrial association standard and 96906-mil-std 130 government standard and 81349-mil-c-53072 government specification and 81348-fed std-595 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A053a0
