Body Style:

With side operator

End Application:

Pp-3001

Product Name:

Switch box assembly, 5/10 kw

Specification Data:

05047-asme y14 professional/industrial association standard and 96906-mil-std-130 government standard and 81349-mil-c-53072 government specification and 81348-fed std-595 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
