**End Application:**

Any sensor installation version (flush or non-flush) in non-magnetizable material

**Special Features:**

Sensing range 5-120mm, dc 3 wire, supply voltage 10..30 vdc, m12, 4 pin connector, 5, 000 hz maximum switching freq, housing brass nickel-plated, plastic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A048b0
