End Application:

Any sensor installation version (flush or non-flush) in non-magnetizable material

Special Features:

Sensing range 5-120mm, dc 3 wire, supply voltage 10..30 vdc, m12, 4 pin connector, 5, 000 hz maximum switching freq, housing brass nickel-plated, plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
