Pressure Switch Type:

Absolute

Proof Pressure:

7500.00 pounds per square inch

Contact Voltage Rating In Volts:

125.0 ac at sea level first voltage

Product Name:

Rugged cylindrical pressure switch

Special Features:

15-75psi pressure range; stainless steel pressure fitting 9/16 - 18 sae male; spst/no switch; electrical termination 1/2 npt male conduit w/18 in flying leads

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A048b0
