Mounting Slot Width:

0.370 inches all mounting facilities

Mounting Slot Length:

0.860 inches all mounting facilities

Mounting Facility Type And Quantity:

2 slot all mounting facilities

Material:

Steel comp 1020

Material Specification:

5771983, type a, grade 2, class c mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
