Unthreaded Mounting Hole Diameter:

0.281 inches first mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole second mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
