Pressure Switch - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5930-01-597-4889

Proof Pressure:

150.0 pounds per square inch

Product Name:

Solid state condition sensing switch

Special Features:

Item has a digital display, anal and switching output, pressure range, 1/4 npt (female) process connection and a m12 michro electrical

connection; supply voltage is dc

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A048b0
