Application Design:

Switchboard

Product Name:

Led lighted pushbutton switch, cover only

Special Features:

Unsealed, alternate actuation, nvis blue design, sunlight readable, full screen

Special Markings:

The word "inhibit" is on the center of the cover

Specification Data:

96906-mil-prf-22885f government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700

Mil-std (military Standard):

Mil-prf-22885f spec.
