Overall Length:

17.0 inches

Overall Height:

1.75 inches

Overall Width:

6.0 inches

Current Type:

Dc

End Application:

Mda

Operating Voltage In Volts:

9.0

Wattage Rating In Watts:

1.08

Product Name:

8-port ps/2 kvm; 8 port hub

Special Features:

Uses one keyboard, monitor and mouse to control up to 8 computers; leds allow for easy status monitoring; requirements - computers with ps/2 connections and hddb15 vga connection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
