**Pressure Switch Type:**

Gage

**Mounting Method:**

Line

**Contact Load Current Rating:**

6.0 amperes inductive load first voltage

**Contact Adjustability:**

Actuation point adjustable and deactuation point adjustable

**Contact Adjustment Type:**

Internal actuation point screw and internal deactuation point screw

**Contact Voltage Rating In Volts:**

230.0 ac at altitude first voltage

**Product Name:**

Pressure control

**Media For Which Designed:**

Gas or liquid

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A048b0
