Pressure Switch Type:

Gage

Mounting Method:

Line

Contact Load Current Rating:

6.0 amperes inductive load first voltage

Contact Adjustability:

Actuation point adjustable and deactuation point adjustable

Contact Adjustment Type:

Internal actuation point screw and internal deactuation point screw

Contact Voltage Rating In Volts:

230.0 ac at altitude first voltage

Product Name:

Pressure control

Media For Which Designed:

Gas or liquid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A048b0
