Overall Length:

1.6 inches

Thread Size:

0.125 inches single bolt

Product Name:

(inavy) switch, pressure

Special Features:

No. 8-32 terminals; 1.0 hex; maximum operating temp: 600psi; proof pressure: 1800 psi; differential: 8-16%; circuit form: spst-nc; diaphragm material: buna n; cycle life: 1 million

Style Designator:

Cylindrical

Thread Series Designator:

Npt second bolt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
