Overall Diameter:

48.0 millimeters

End Application:

Drill press

Pole Quantity:

3 each section in-line

Product Name:

Pr12 switch 3 pole off/on cam switch, 20a i (th); switch

Special Features:

Thermal current: 20a; insulating voltage: 690v; operating current: 16a; load power: 7.5kw; ingress protection: ip40

Style Designator:

Snap or line

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
