Body Style:

Surface mount

Actuator Style:

Rectangular

Actuator Position-action Relationship:

Down position maintained and up position momentary

End Application:

5865-01-567-8646

Inclosure Type:

Fully enclosed

Product Name:

Box, switch, assembly dc fan power

Terminal Type And Quantity:

5 cable w/connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
