End Application:

Misc parts au

Voltage Rating At Maximum Rated Current:

30.0 volts

Operating Temperature Rating:

200.00 degrees celsius

Product Name:

Switch, liquid level

Special Features:

Spst switch; side mounted; stern and float material: stainless steel; fittings: 1/2 in x 1/2 in; float sg: 0.60; maximum pressure: 300 psig

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
