Thread Length:

0.50 inches first bolt

Overall Length:

20.0 inches

Overall Width:

3.28 inches

Operating Temperature Rating:

177.0 degrees celsius

Product Name:

Proximity probe housing

Special Features:

Aluminum body with 304 stainless steel sleeve

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
