**Body Length:**

4.5625 inches

**Body Width:**

2.8125 inches

**End Application:**

4940-01-601-1930

**Mounting Configuration:**

2 screws attached to mounted switch

**Product Name:**

Cover, electrical sw

**Special Features:**

Weatherproof-rain tight vertical sw cover with spst sw

**Material:**

Aluminum

**Surface Treatment:**

Lacquer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T23700
