Body Length:

4.5625 inches

Body Width:

2.8125 inches

End Application:

4940-01-601-1930

Mounting Configuration:

2 screws attached to mounted switch

Product Name:

Cover, electrical sw

Special Features:

Weatherproof-rain tight vertical sw cover with spst sw

Material:

Aluminum

Surface Treatment:

Lacquer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T23700
