Body Style:

Bushing mounted

Bushing Length:

0.312 inches

Overall Diameter:

0.875 inches

Maximum Voltage Rating In Volts:

28.0 dc or 115.0 ac

Product Name:

Pushbutton

Special Features:

Operating temp range: negative 55 to 85 degree celsius; case material: black anodized aluminum alloy; button material: thermoplastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
