Switch Actuator Quantity:

1

Actuator Style:

Round

Illuminated Actuator Color:

Amber 1st actuator

Maximum Voltage Rating In Volts:

120.0 ac

End Application:

Control panel

Inclosure Type:

Hermetically sealed

Mounting Method:

Internal thread

Contact Load Current Rating At Maximum Rated Voltage:

10.0 amperes inductive ac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
