**Overall Length:**

1.308 inches

**Overall Height:**

2.352 inches

**Overall Width:**

0.750 inches

**Switch Actuator Quantity:**

3

**Actuator Length:**

0.687 inches

**Actuator Style:**

Round

**Maximum Voltage Rating In Volts:**

250.00 ac

**End Application:**

An/fsn-7

**Product Name:**

Carlingswitch g series toggle switch

**Special Features:**

Connector type: tab; 2g maintained series; single pole in double pole base; actuation type: on-none-off;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A053a0
