Overall Length:

3.52 inches

Overall Height:

1.74 inches

Overall Width:

2.12 inches

End Application:

Pilot house

Product Name:

Seperator flush mounting selector switch

Special Features:

2 position rotary selector; class b insulation; manual operation; continuous duty;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
