End Application:

Asphalt mixer

Operating Temperature Rating:

105.00 degrees celsius

Product Name:

Plastic miniature float switch w/ slosh shield

Special Features:

1/8 inch npt fittings; maximum pressure rating: 150.00 psig; current rating: 30.00 volt amps; single pull single throw; lead wire size: 22 awg; lead length: 24.00 inches; float material: buna-n; stem material: pbt; float sg: 0.45;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
